

200 HOUR YOGA TEACHER TRAINING IS LIFE-CHANGING

THE CURRICULUM

At One Soul Yoga, our 200-hour Yoga Teacher Training program is a transformative journey into the heart of yoga. Approved by Yoga Alliance and designed to meet their elevated standards, this program offers a comprehensive foundation in yoga philosophy, asana, anatomy, and teaching methodology. Rooted in the eight limbs of yoga, our curriculum honors both the traditional teachings and the modern needs of today's students, creating a well-rounded and deeply meaningful experience.

Our training follows a trauma-sensitive approach, encouraging students to cultivate awareness, compassion, and safe space—both in their personal practice and future teaching.

You will not only deepen your understanding of yoga but also uncover layers of your own inner wisdom, gaining insights into your patterns, potential, and purpose.

This is an intensive and life-changing course designed for those ready to commit to personal growth and professional development. We encourage students to immerse themselves into the training to develop confidence and bring their own voice and style to the mat.
